The Pre Centenary Reunion

Memo No……………………………….   Date……………………………………….

<mark>Sub: Batch-Wise Group Photo Sending</mark>

Dear Alumni Members,

We need your cooperation to make the Pre Centenary Reunion Successful.

Some of you have already sent group photo earlier to us before mega reunion 2018.

Since, we will make the batch-wise (12 inch X 18 inch) photo frame which will be placed in front of Auditorium batch wise , so you are requested to send a group photo of your batch in JPG format (With High resolution) in below mail-id.

If you have any hard copy of group Photo (maximum students), then please send it in mail. Better to capture the photo by any scanner machine/digital camera with minimum 300-600 resolution (300-600 dpi). It will take hardly 5 minutes.

You can send via Whatsapp in document attachment only, otherwise picture quality will be degraded.

Send the Photo to gcettbreunion18@gmail.com
